Various in-person locations/online programs, as applicable; all program dates/times/venues are subject to change based on COVID-19 requirements. Visit archandcity.org for full programs descriptions

The 18th annual Architecture + the City festival will continue to offer behind-the-scenes programs, tours, author talks, film screenings and more that provide an excellent opportunity for all communities to experience architecture and design in a myriad of ways throughout the city. How can San Francisco be a more connected city? How can we address its challenges of housing, climate change, economic and health equity? How do we design with connection in mind, that is human-centered and focuses on health, inclusivity and resilience. Join us as we continue the spirit of the festival through a variety of in-person and online programs.

Attendance:
In 2019, 1,500+ attended all programs in-person, which include 10+ tours. 400+ attended Home Tours and 120+ at Architects Forum, two of the more than 25 programs offered during the festival.

In 2020, 1,300+ attendees participated in programs online, which included 20+ events. Virtual Home Tours included 300+ attendees.
